

A MULTIDISCIPLINARY APPROACH TO NEONATAL CARE
12th Annual Midlands and East Newborn and Perinatal Network Conference

Poster Presentation Call for Abstracts

This year's conference theme will be '**A multidisciplinary approach to neonatal care**'.

We are inviting Poster Presentations for this event. In addition to displaying posters, 3 authors will be invited to the event to give a presentation of their work.

Applicants are invited to enter the competition by emailing their posters along with the entry form to kelly.hart5@nhs.net by the closing date of **30th November 2018**.

This year the 12th Annual Midland and East Perinatal Network Conference will be held on **Wednesday 30th January 2019** at the [Marriot Hotel](#) in Huntingdon.

Please **register** your interest at [Eventbrite](#)
