

Well Done!

We're delighted that dozens of our customers are feeling healthier and happier thanks to positive changes they have made in their lives with the support of this pharmacy.

We are keen to help more people improve their health and wellbeing with our Healthy Living Pharmacy services.

You may be able to help us too.

If you have made a difference to your life because of the services you have taken up in this pharmacy, your story could help inspire others to give it a go as well.

It could even mean that more pharmacies across the country are able to offer similar services.

So as well as telling your friends, why not tell us, and we will look at the best place to share your story.

If you would like to find out more please leave your contact details on the reverse of this leaflet and hand to any member of staff. You will be contact by ourselves or a representative of the local NHS.

Thank you!
