

North West Perinatal and Paediatric HIV Network Annual Conference 2013

Monday 30th September 2013, 9am – 4pm,
Post Graduate Centre, North Manchester General Hospital

The main topics for the day include:

- **Mother to Child Transmission**
- **HIV and the Impacts on Family Life**
- **Transition**
- **Is There a Cure?**
- **Vaccine Responses in Children with Immune Deficiencies**
- **Case Studies and an Expert Panel**

The Network is keen to ensure a wide range of attendance including representatives from the specialist units, DGHs, social workers, educational links and the voluntary sector.

There is a small charge of **£10** per delegate to attend the conference.

** Registration for voluntary sector organisations is free of charge*

Please include payment with your registration form.

Cheques to be made payable to 'Barnardo's'.

To confirm your attendance, please complete the enclosed registration form (one per delegate) and return it to Louise Little as soon as possible.

Delegates are welcome to bring posters on the day.

Louise Little, Project Support Officer
