

Shropshire Young Health Champions Project

Supported by

The National Lottery[®]

through the Big Lottery Fund

Working with Altogether Better

Funded by the Big Lottery

**To recruit 300
young Health
Champions aged 11-
25 years**

**Who will work
on Health
projects to
improve Health
and Happiness
in Shropshire**

Our Young Champion Steering Group

... went to
Leeds to do the
Health
Champion
training

Then made sure it was suitable for young people!

Staff have been trained

**Young People
have now been
trained**

All over Shropshire

**Young Health
Champions will now
meet to design their
own projects**

They will fill in a funding application form

Shropshire Young Health Champions Project Bid

Applicant details	
Name of young health champion completing this form? (If you are an adult completing this form, please explain why you are doing so here)	
Age of young health champion	
Young health champion's contact address including postcode	
Young health champion's telephone	
Young health champion's email	

The project will then be seen by the
Dragon's Den

Although they will look more like this:
this:

**The projects which are
approved (and we want
them all to be!) then
begin!**

We will come and visit projects

... and invite them to a celebration
event in October

**Please come and see us
during the networking
breaks with any
questions.**

Thank you!
