NHIS

NHiS Ltd is part of Wilmington PLC (whose focus is on four key knowledge areas, Risk & Compliance, Finance, Legal and Insight). NHiS improves patient outcomes through consultancy, engagement and data insight to the NHS and wider healthcare. NHiS work with multi-disciplinary teams across commissioner and provider organisations to redesign NHS services and improve performance. The NHiS's Commissioning Excellence team has achieved NHS England niche provider status for neurology commissioning support.
