

**NORTH EAST, YORKSHIRE & HUMBER MENTAL HEALTH
COMMISSIONING NETWORK (NEYHMHCN) 281116**

Summary of feedback
17/62 delegate responses

1. How relevant did you find the event content in relation to your role?

High Relevance	50%
Average Relevance	50%
Little Relevance	

Comments:

Enjoyed all the clinically relevant information
The talks were very relevant but I didn't feel able to contribute to the discussions (table top questions), although we still had some thought provoking discussions.
Came to learn more and this has been a really interesting meeting

2. How would you rate the quality of the speakers?

Excellent	56%
Good	44%
Average	
Poor	

Comments on specific speakers:

Valuable input from peer support (Nick)
ADHD presentations excellent
Enjoyed service user's Kate's speech and last 2 speeches the most
Good- physical checks, PHQ 9 rather detailed information and thoroughly enjoyed ADHD
Excellent ADHD - great to see pathways across age groups

3. To what extent did the meeting match your expectations?

Exceeded Expectations	11%
Matched Expectations	83%
Didn't Match Expectations	6%

Comments:

Bit disappointed that old information recycled e.g. physical health monitoring

4. Would you recommend joining the NEYHMHCN to other colleagues who didn't attend?

Yes	72%
No	11%
No Response	17%

If you answered Yes, for whom would you recommend?

Please list named individuals and their role plus contact details if possible:

Other CPNs and specialist substance misuse services
Provider colleagues, GP Leads, Adult Services
Commissioning Managers
Crisis care
Commissioners from multiple agencies to understand the need for collaboration

5. What topics you would like to see addressed at future NEYHMHCN events?

Dual diagnosis
Bipolar, anxiety, PTSD, perinatal
EIP, IAPT and crisis care
Autism and CYP Mental Health
Service gaps i.e. ASD and innovative practice
Outcomes and clinical data
Aliance contracting - function and success
Joint commissioning teams for MH, CCG and LA, decision making process
Dementia - how to manage the growing numbers
Accountable care organisations - the opportunities for multiple agencies to come together to reduce fragmented commissioning of services.
Challenges around dementia and wider social challenges
Children and young people
Mental health FYFU

6. Would you be prepared to speak at future NEYHMHCN events?

My organisation (RDASH) would be happy to talk about a number of topics and innovations.
Yes (David Yeomans) - multi-agency services outcomes
Yes (Steve Wright) - transition / youth mental health / students or early intervention or community engagement

7. How would you rate the quality of event organisation and facilitation?

Excellent	67%
Good	33%
Average	
Poor	

Do you have any other comments about how future NEYHMHCN meetings could be improved?

Good to see outcome measures being discussed
More workshop type events
Could we include police and crime commissioners?
Start and finish earlier

Thank you for your comments
