

South West Mental Health Transformation and Sustainability Network

The regional Transformation and Sustainability Network meetings are initiated and organised by Wilmington Healthcare. The Mental Health events are supported by Shire through the provision of financial sponsorship only. Delegates may include members of these companies and other companies who have paid to attend. No attendees have had input into the design or content of the agenda

DATE: Tuesday 6th February

VENUE: Holiday Inn Taunton

AGENDA

Chair: Dr Alison Battersby - Consultant Psychiatrist and Addiction Specialist, Livewell Southwest

12.15 Registration, lunch and networking

13.00 Aims & objectives (including STP overview): **Mr Paul Midgley** – Director of NHS Insight, Wilmington Healthcare

13.10 Chair introduction: **Dr Alison Battersby**

13.20 Making accountable care work for Mental Health - update on the Devon STP: **Dr Peter Aitken** – Director of Medical Education, Director of Research and Clinical Director - Individual Patient Placement Programme, Devon Partnership NHS Trust

Session One: Psychosis and SMI LTCs – changing the system to optimise prevention of relapse and long term physical health problems

13.35 Early Intervention – Improving Outcomes for People with Psychosis and Serious Mental Illness: **Ms Annie Hodgkins** – STEP Team Manager, Somerset Team for Early Psychosis, Somerset Partnership NHS Foundation Trust

13.55 Directed table discussions: What are we doing to reduce incidence of psychotic crises beyond involving patients in EIP? What steps are we taking to increase chances of patients with Psychosis/SMI being routinely screened and treated for any physical health conditions? What ideas could we consider/take forward to help us improve patient outcomes in both these two aspects of psychosis care within our service, and how can working across the STP help us improve locally?

14.25 Panel Q+A/table feedback: Speakers

14.40 Break and networking

14.55 NICE Guidelines Overview: **Mr Chris Connell** - Associate Director, Field Team (South), NICE

Session Two: Adult ADHD – how diagnosing and treating reduces demand in other parts of the system and delivers ROI

15.15 How can we use patient perspectives to improve services: **Ms Michelle Beckett** - CEO, ADHD Action and Adult ADHD Patient

15.35 Directed table discussions: To what extent do we already have a fully commissioned Adult ADHD service? How do we develop a robust, sustainable service for adults with ADHD in our STP area? How can we use local patients' perspectives to improve our services? Who else do we need involved to drive forward a focused response to this problem?

16.05 Panel Q+A/table feedback: Speakers plus **Ms Dorothy Mukasa** - Interim Head of Mental Health and Learning Disabilities Commissioning, Somerset CCG

16.25 Chair's summary and key actions

16.30 Meeting Close
