Further dates to follow when details have been confirmed with the organizers.

13th or 20th October) , 12p.m. to 4p.m. Network (mortality meeting) – City Hospital

To book a place on these Fetal Medicine/ Neonatal Grand Rounds please email teresa.meredith@nhs.net

Joint WM Newborn Networks Neonatal Study Days

The neighbouring newborn networks (SSBCNN and SWMNN) are working together to co-ordinate and offer multidisciplinary study day events throughout the year. Whilst most of these are supported by our generous sponsors, some are not and will incur a modest charge towards covering costs.

Please note you will be charged for non-attendance if your place is not cancelled in advanced and within the given deadline, since purchases will have been made in accordance with the numbers expected. Please refer to specific application forms for relevant deadlines.

NEW! Regional Cooling Training Course.

Tuesday 16th October 2012 (tbc) Walsall / Newcross (tbc)

A SWMNN and SSBCNN event. This will be the second event following the very successful programme that was delivered in June 2012. A new programme for training staff who have an interest in therapeutic hypothermia. The day is divided into keynote lectures and practical workshops.

5.5 CPD RCPCH points have been awarded. (University academic accreditation is being explored.)

Applications will open soon, places are limited so please book early.

Cost: £60 Medical Staff
£40 nurses and AHPs

Please park at the Corus Hotel next door, you can obtain a free parking permit for your windscreen from the programme organizer.

teresa.meredith@nhs.net

Ventilation

Wednesday 4th July, Advanced Multidisciplinary Ventilation Study Day, Wolverhampton Medical Institute, New Cross Hospital, Wolverhampton, WV10 0QP

Please book this day via the SSBCNN office, contact : Carol Guest.

Email carol.guest@nhs.net or phone 01782 672137

Surgical Neonatal Nursing Module

The next Surgical Neonatal Nursing Module will start on 24th October this year. To register your interest or for an application form please contact Jackie Stretton now. The course is delivered over six months with 10 study days and three week placements at

the neonatal surgical Ward, BCH (2 weeks in first section and 1 week nearer the end.)
University accreditation is currently being processed at level 6 – degree.

If you would like further details of the next course or to discuss the entry criteria please contact Jackie Stretton, Lead Practice Educator, SWMNN: jstretton@nhs.net

SPECIAL INTEREST GROUP NEC UK (SIGNEC)

The First Meeting and Study Day, was held on 26th June at the British Medical Association House, Tavistock Square, London, WC1H 9JR. Look out for the date of the next meeting,

For further details go to the SWMNN Website (Events section) and download the programme and flyer.

REASON 2012

2nd – 3rd July, Warwick University.

NEONATAL NURSE RESEARCHERS (N3R) / SPECIAL INTEREST EDUCATION GROUP (SIEG)

The next combined meeting of the N3R and SIEG will be held at Friars Gate on 10th September 2012. These are both national groups and networking forums for neonatal nurse educators and researchers throughout the UK. The venue is local to the West Midlands this time and anyone who is interested may attend. It is an opportunity to share and discuss education issues with colleagues as well as disseminate new research and acts as a support forum for those either currently engaged in or wanting to initiate neonatal nursing research.

If you wish to attend please register your interest with either
Katie Gallagher (SIEG) katie.gallagher@kcl.ac.uk
or Brenda Strohm (N3R) brenda.strohm@npeu.ox.ac.uk

NEWBORN TRANSPORT STUDY DAY

4TH December, venue tbc.

COINN 2013

5th – 8th September 2012, Belfast, Northern Ireland
The 8th international Neonatal Nursing conference

EVENTS IN PLANNING

22ND November Down syndrome / deafness
Surgical up date event – early February 2013

Charging policy:

We have been fortunate in the recent past to be able to offer education and training events free or at least at minimal costs. However reduced budget allowances have inevitably led to their being limited resources available to the Network to provide these events.

Many of our study days, Conference days and main events incur additional costs to the Network for speakers' fees, expenses, administration and venue etc. We are trying hard to keep costs to a minimum and continue to offer all our 'Update' study days and Grand

Rounds FREE. However some Network Study days will incur a nominal charge to assist us in covering set up and delivery costs.

Please note lunch is not provided unless specifically stated. For most study days staff are expected to make their own arrangements for subsistence, as per a normal working day. On certain sites (e.g. Friar's Gate) there are no canteen facilities and staff should bring their own refreshments, or alternatively purchase sandwiches from the trolley services.

Booking Places:

Places must be booked in advance by contacting Teresa Meredith by email or phone. A provisional place will be booked initially which will be confirmed on receipt of payment and a completed booking form.

**If you would like any further information or would like to attend any of these courses please contact the appropriate administrator as indicated in the text. For additional information or enquiries please contact Teresa Meredith, Executive Assistant, SWMNN,
Tel: 0121 746 4457 or email teresa.meredith@nhs.net**
