Combined Perinatal Grand Rounds are being planned

(The confirmed dates and details will be circulated in subsequent Bulletins.)

Further dates to follow when details have been confirmed with the organizers.

To book a place on these Fetal Medicine/ Neonatal Grand Rounds please email teresa.meredith@nhs.net

Joint WM Newborn Networks Neonatal Study Days

The neighbouring newborn networks (SSBCNN and SWMNN) are working together to co-ordinate and offer multidisciplinary study day events throughout the year. Whilst most of these are supported by our generous sponsors, some are not and will incur a modest charge towards covering costs.

Please note you will be charged for non-attendance if your place is not cancelled in advanced and within the given deadline, since purchases will have been made in accordance with the numbers expected. Please refer to specific application forms for relevant deadlines.

NEW! Regional Cooling Training Course.

Hurry! There are still a few places left!

Monday 18th June 2012

Friar's Gate, Solihull, B90 4BN

A SWMNN and SSBCNN event. This will be the first of a new programme for training staff who have an interest in therapeutic hypothermia. The day is divided into keynote lectures and practical workshops.

5.5 CPD RCPCH points have been awarded.

Applications are now open, places are limited so please book early.

Cost: £60 Medical Staff

£40 nurses and AHPs

teresa.meredith@nhs.net

For further details go to the SWMNN Website (Events section) and download the programme and flyer.

REASoN 2012

2nd – 3rd July, Warwick University.

Charging policy:

We have been fortunate in the recent past to be able to offer education and training events free or at least at minimal costs. However reduced budget allowances have inevitably led to their being limited resources available to the Network to provide these events.

Many of our study days, Conference days and main events incur additional costs to the Network for speakers' fees, expenses, administration and venue etc. We are trying hard to keep costs to a minimum and continue to offer all our 'Update' study days and Grand Rounds FREE. However some Network Study days will incur a nominal charge to assist us in covering set up and delivery costs.

Please note lunch is not provided unless specifically stated. For most study days staff are expected to make their own arrangements for subsistence, as per a normal working day. On certain sites (e.g. Friar's Gate) there are no canteen facilities and staff should bring their own refreshments, or alternatively purchase sandwiches from the trolley services.

Booking Places:

Places must be booked in advance by contacting Teresa Meredith by email or phone. A provisional place will be booked initially which will be confirmed on receipt of payment and a completed booking form.

If you would like any further information or would like to attend any of these courses please contact the appropriate administrator as indicated in the text. For additional information or enquiries please contact Teresa Meredith, Executive Assistant, SWMNN,

Tel: 0121 746 4457 or email teresa.meredith@nhs.net

Flyers and programmes are also available via our websites:
