Monday 5 November 2012, 9:30a.m to 4:30p.m

Education Centre, Manor Hospital, Moat Road, Walsall. WS2 9PS

#### Aims for the day

*To provide the participants with the educational opportunity to explore the evidence base and practical issues associated with the care and management of infants undergoing neonatal hypothermic therapy.*

*Please circle the number that represents your viewpoint.*

#### 1. How do you rate the relevance of this meeting to your educational needs?

<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>
<b>No part relevant</b>	<b>Fairly relevant</b>	<b>Mostly of relevance</b>	<b>Highly relevant</b>
<b>0</b>	<b>0</b>	<b>1</b>	<b>21</b>

#### 2. Were the printed learning aims/objectives of the course met?

*Circle one option*

Yes: 21	No: 0	No Answer: 1
Comments (optional): All presentations and workshops met the aims and objectives. Would have been better to have handouts prior to the day.		

#### 3. How do you rate the overall quality of the education offered by this meeting?

<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>
<b>Poor</b>	<b>Satisfactory</b>	<b>Good</b>	<b>Excellent</b>
<b>0</b>	<b>0</b>	<b>4</b>	<b>18</b>

#### 4. Were the speakers/instructors knowledgeable?

*Circle one option*

Yes: 22	No: 0	No Answer: 0
Comments (optional): For the most part., just found one hard to listen to. All the speakers were knowledgeable, gave us current knowledge and evidence base to enhance my practice. Start of most presentations were repetitive. All speakers were clinical based professionals, making their sessions reliable and interesting. Excellent, very interesting!

**JOINT WEST MIDLANDS NEWBORN NETWORKS EDUCATION EVENT.**

**Delivered by the Southern West Midlands (SWMNN) and Staffordshire, Shropshire and Black Country Newborn Networks (SSBCNN).**

- **All lecturers gave very good knowledgeable presentations.**
- **Use of Tecotherm**
- **Useful to discuss other unit's practices and look at ways to improve.**
- **Cooling on a tertiary unit was extremely interesting, coming from a referral unit it was good to see what happens when they leave us.**
- **For me, seeing the modules/monitors, how the neonates are cared for in the level 3 units.**

**8. What improvements do you feel could be made to the day?**

- **More brown bread sandwiches, salad, fruit and biscuits x4**
- **Could have had the Criti Cool rep as that's the machine we use in Shrewsbury.**
- **Maybe a small focus on family involvement and what they can do, i.e. involve in care.**
- **Session on theory needed to be longer - lot of interesting content.**
- **Better coordination between speakers regarding content of plenary sessions, some duplication of content.**
- **More time spent on looking at CFM traces.**
- **Hard copies/available examples of CFM traces to take away.**
- **Parents and baby great but perhaps next time have parents and child of a more challenging outcome.**
- **None x2**
- **Timekeeping!**
- **Keeping control of participants so speakers can be heard/ information clear.**

**If you have any additional comments or would like further information about future meetings and training events, please give details:**

- **Very informative, relevant, interesting and well run x3**
- **The day was fabulous, lots of useful information.**
- **Extremely good!**
- **Thank you x3**
