Subject: RE: CANCELLED Joint Neonatal Guidelines Group meeting 12-06-12

Dear Sarah,

Thanks for letting me know about the cancelled meeting.

Just wanted to keep you up to date with changes in the South which will impact on this group.

As you may know I changed job in February moving from City to Heartlands. The funding for my network guidelines role has remained at City and so Dr Sivakumar has agreed to take over once a substantive replacement is appointed (they currently have a locum in place until the autumn).

Please will you add him to your email list (email address below).

He was keen to come with me for the first meeting and then take over completely later in the year.

July is quite tight for me with annual leave and service, but I could do the following meetings:

Anytime on 3rd and 4th, Morning of 5th

Morning of 26th, anytime on 27th

I'm just about to send a document round to each unit in the southern network explaining the process for guideline production.

I also said that I'd let you have a list of contacts from each unit within the southern network these are as follows:

| | | |
|------------------------|------------------------|--|
| BWH : - | Imogen Morgan | imogen.morgan@bwhct.nhs.uk |
| City : - | S.Sivakumar | ssivakumar1@nhs.net |
| Heartlands/GHH: - | Jaideep Singh | jaideep.singh@heartofengland.nhs.uk |
| Worcester / Redditch : | Vivi Weckmann | vivi.weckmann@worcscaute.nhs.uk |
| Hereford: - | Helen Underhill | Helen.underhill@hhtr.nhs.uk |
| Children's : - | Girish Jawaheer | girish.jawaheer@bch.nhs.uk |
| | Alison Bedford-Russell | alison.bedfordrussell@nhs.net |
| Transfer team :- | Alex Philpott | (think you already have her email) |

Hope this helps

Let me know when/where the meeting will be and I'll do my best to attend

Best wishes

Phil

Subject: CANCELLED Neonatal Guidelines Group meeting 12-06-12

Dear All

Unfortunately the next Neonatal Guidelines Group meeting due to be held on the 12 June 2012 has had to be cancelled.

I will be in touch shortly with an alternative date.
