

Developmental Care meeting 21/05/19 – Stoke

Present; (not quorate as only 4 members from 3 trusts present)

Katy Edwards (chair) Stoke

Lisa Gough (Chair) Dudley

Danielle Mace – Dudley

Alice Nicholls – Walsall

Natalie Jackson – Walsall

Developmental Care aids review

Given to members present along with disclaimer. Laundry of items discussed – nests should be cold dried as per manufacturer's instructions.

Group name

Suggestions needed for name to incorporate family integrated care.

Mission statement and roles of group are needed.

Unisef baby friendly (BFI)

BFI training – very useful as it incorporates developmental care.

Provision of service audit (that is linked to BFI) to be returned to Katy ASAP please.

Comfort scale

Comfort scale has been used to audit developmental care aids we use on unit. All units are to carry out an audit as part of the bliss charter. Danielle Mace to sort.

Study Day

Lyndsey C not present to confirm if 2 x intakes for foundation group – all members present are happy to run and get involved.

Feedback not yet received by group for last study day.

Reps to turn up earlier so they are present for workshops – so there products can be used.

Network board

Katy attended and this went well. Good group work of developmental care group was acknowledged. Next meeting is 19th Sept at Stafford.

Crossover of meetings

Decided by the group that cross over meetings with feeding group are not helpful, but they agree that sharing of meeting minutes would be useful and keep groups focused. Can we arrange sharing of information between groups?

BFI

Decided by group to keep these meeting separate to dev care meetings.

AOB

Room for next meeting at Walsall is booked. Follow route 106 (near Costa). Physio seminar room 1 (718)

?Lisa/Erica to swap dates of Dudley/New Cross meeting due to poor availability of room at new cross on allocated date.
