Sudden collapse in first week of life	Vish Rasaih										New deadline 30.11.18
DEVELOPMENT CARE											
Developmental care	Julie Taylor	Sent 26.10				x	23.11				Deadline 23.11.18
Down syndrome	Siva Helen Robertson										Deadline 30.11.18
Environment and noise	Julie Taylor	Sent 26.10				x	23.11				Deadline 23.11.18
Kangaroo care	Julie Taylor	Sent 26.10				x	23.11				Deadline 23.11.18
Non-nutritive sucking	Julie Taylor	Sent 26.10				x	23.11				Deadline 23.11.18
Positioning	Julie Taylor	Sent 26.10				x	23.11				Deadline 23.11.18
ENDOCRINE/METABOLISM											
Hyperglycaemia	Dr Velmurugan Ramalingam										With author deadline 22.10.18. Chased 24.10.18. Email address not known. Went on sabbatical in early 2017 – maybe left?
Hyperkalaemia	Shiva										With author deadline 22.10.18 (confirmed happy to author review). Chased 24.10.18. Possibly needs another author?

Topic	Author	Pharm	Bio che	Anti micro	Rad	Leads	Netwo rk Ed	BCGP Ed	NM	Lib	Status
Hypertonaemic dehydration	Bashir Muhammad										New deadline 7.12.18
Hypoglycaemia	Kate Palmer										With author. Sent 1.11.18
Hypokalaemia	Dr Liza Harry										New deadline 19.11.18
Hypothyroidism	Kalyana Gurusamy										New deadline 22.11.18
Inherited metabolic disorders	Suresh Vijay										Part-formatted
IV fluid therapy	Kate Palmer										With author. Sent 1.11.18
MCADD	Kate Palmer										With author. Sent 1.11.18
Metabolic bone disease	Pinki										With author for inclusion of Vitamin D
Thyroid disease – maternal	Dr Meena Bandhakavi										Ready for distribution no change – don't send out yet – just waiting for info re other tests
GASTROENTEROLOGY											
Ankyloglossia (tongue-tie)	Kate Palmer										With author. Sent 1.11.18
Gastro-oesophageal reflux (GOR)	Alison Bedford-Russell Imogen Storey										New deadline 7.12.18
Jaundice	Kate Palmer										With author. Sent 1.11.18
Liver dysfunction	Kalyana Gurusamy										New deadline 22.11.18
Nasogastric tube feeding	L Hiron					23.11					Deadline 23.11.18
Necrotising enterocolitis (NEC)	Andy Ewer										With author deadline 23.10.18 (confirmed happy to review). Chased 24.10.18 Chased 13.11.18
HAEMATOLOGY											
Blood group incompatibilities	Sheilah Kamupria										Received. See email in inbox. Needs to match with Jaundice
Coagulopathy	Arthi Lakshmanan										Deadline 23.11.18
Polycythaemia	Kate Palmer/Alison Moore										With author. Sent 1.11.18
Thrombocytopenia	Arthi Lakshmanan										Deadline 23.11.18
Transfusion of red blood cells	Arthi Lakshmanan										Deadline 23.11.18
Vitamin K	Kate										With author. Sent 1.11.18
INFECTION											

Topic	Author	Pharm	Bio che	Anti micro	Rad	Leads	Netwo rk Ed	BCGP Ed	NM	Lib	Status
BCG immunisation	Paddy/Tilly										Ready for distribution
CMV	Paddy/Tilly										Ready for distribution
Conjunctivitis (lucillabutler@btopenworld.com)	Lucy Butler	Sent 26.10				✓					Back to author 12.11.18
Hepatitis B and C (combined)	Paddy/Tilly										Ready for distribution
Herpes simplex	Paddy/Tilly										Ready for distribution
HIV	Paddy/Tilly										Ready for distribution – don't send out until decision re update
Immunisations	Paddy/Tilly										Ready for distribution
Infection (early onset)	Kate Palmer										With author. Sent 1.11.18
Infection (late onset)	Alison Bedford Russell Imogen Storey										New deadline 7.12.18
MRSA	Lee Abbott										New deadline 7.11.18 Chased 13.11.18 New deadline 19.11.18
Palivizumab	Kate Palmer										With author. Sent 1.11.18
Syphilis	Nick Makwana										New deadline 30.11.18
Tuberculosis (Investigation and management following exposure in pregnancy)	Tilly Pillay										New deadline 14.11.18
Varicella	Paddy										Received from author Kathryn to format
NEUROLOGY											
Abstinence syndrome	Cathryn Seagrave										New date 31.12.18 (no SPA time at the moment)
Congenital hypotonia-Hypotonia (floppy baby)	Liza Harry/Hannah Clarke										With author deadline 29.11.18
Cooling	J Uffindell										New deadline 21.11.18
HIE	Kalyana Gurusamy										With author deadline 22.11.18
Post haemorrhagic ventricular dilation	Manobi Borooh										New deadline 12.12.18
Seizures (inc seizures due to IEM)	Vidya Garikapati					23.11					Deadline 23.11.18
Upper limb injuries	Andrea Jester										Ready for distribution – just back to author for updated link
NUTRITION											
Bottle feeding	Katy Parnell										New deadline 30.11.18

Topic	Author	Pharm	Bio che	Anti micro	Rad	Leads	Netwo rk Ed	BCGP Ed	NM	Lib	Status
Breastfeeding	Pat Bloor/Louise Thompson										With author deadline 22.10.18. Chased 24.10.18. Chased 13.11.18
Breast milk expression	Pat Bloor/Louise Thompson										With author deadline 22.10.18. Chased 24.10.18. Chased 13.11.18
Nutrition and enteral feeding	Sara Clarke										With author deadline 16.11.18 – for discussion
Parenteral nutrition	Gemma Holder										New deadline 19.11.18
Progression to oral feeding	Sara Clarke										Received Kathryn to format
Breast milk handling and storage	Pat Bloor/Louise Thompson										With author deadline 22.10.18. Chased 24.10.18 Chased 13.11.18
PRACTICAL PROCEDURES											
Arterial line insertion	Kalyana Gurusamy										With author deadline 22.11.18
Arterial line sampling	Kalyana Gurusamy										With author deadline 22.11.18
Cannulation	Kate										With author. Sent 1.11.18
Chest drain insertion	Kalyana Gurusamy										With author deadline 22.11.18
Chest drain insertion – Seldinger technique	Kalyana Gurusamy										With author deadline 22.11.18
Consent	Tilly Pillay										New deadline 14.11.18
ETT suction	Anna Kotas	Sent 26.10				✓					Comments back to author 16.11.18
Exchange transfusion	Kate Palmer										With author. Sent 1.11.18
Extravasation injuries	Bashir Muhammad										New deadline 7.12.18
Growth monitoring	Sara Clarke										Ready for distribution
Long lines	Shiva Shankar (maybe doesn't want to do next time?)										With author deadline 22.10.18 (confirmed happy to author review). Chased 24.10.18. Possibly another author?
Nasogastric tube insertion	L Hiron					23.11					Deadline 23.11.18
Prostaglandin infusion	Anju Singh										Deadline 23.11.18
Skin biopsy	Tilly Pillay										New deadline 14.11.18
Skin care	Tilly Pillay										New deadline 14.11.18
Transillumination	J Uffindell										New deadline 21.11.18

Topic	Author	Pharm	Bio che	Anti micro	Rad	Leads	Netwo rk Ed	BCGP Ed	NM	Lib	Status
UAC and removal	Fiona Chambers					23.11					Deadline 23.11.18
UVC and removal	Fiona Chambers					23.11					Deadline 23.11.18
Venepuncture	Shiva Shankar										With author 22.10.18 (confirmed happy to author review). Chased 24.10.18. Possibly need another author emailed
RENAL											
Renal failure (neonatal)	Shiva Shankar										With author 22.10.18 (confirmed happy to author review). Chased 24.10.18. Possibly needs another author emailed
Urinary tract abnormalities diagnosed antenatally	V Ganesan										Happy to author. Deadline 30.11.18
RESPIRATORY											
Apnoea +/- bradycardia	Bashir Muhammad										New deadline 7.12.18
Chest physiotherapy	Jo Gregory										New deadline 30.11.18
Chronic lung disease	Dr Anju Singh										With author deadline 22.10.18
CPAP and Bubble CPAP	Rob Negrine										New deadline 14.11.18
High flow nasal cannulae (HFNC)	Kalyana Gurusamy										With author new deadline 22.11.18
High frequency oscillatory ventilation (HFOV)	Kate Palmer										With author. Sent 1.11.18
Intubation	Tilly Pillay										New deadline 14.11.18
Intubation – difficult	Tilly Pillay										New deadline 14.11.18
Nitric oxide	Kate Palmer										With author. Sent 1.11.18
Oxygen on discharge	Dr Anju Singh										
Oxygen saturation targets	Dr Anju Singh										Needs to go back to author
PPHN	Siva										With author deadline 23.10.18. Chased 24.10.18. Chased 13.11.18
Pulmonary haemorrhage	Vish Rasaih										New deadline 30.11.18
Surfactant	Sagarika Ray	Sent 26.10				✓					Author response received Kathryn to format 12.11.18 NEED TO EITHER REFERENCE OR AMEND TITLE IF DECIDE TO GO AHEAD WITH LISA GUIDELINE
SIPPV	Kalyana Gurusamy										With author new deadline 22.11.18
Transcutaneous O ₂	Kalyana Gurusamy										With author new deadline 22.11.18
Ventilation (conventional)	Sagarika Ray	Sent 26.10				✓					Comments back to author 09.11.18
Ventilation (volume targeted)	Asha Shenvi	Sent 26.10				✓					Comments back to author 09.11.18

Topic	Author	Pharm	Bio che	Anti micro	Rad	Leads	Netwo rk Ed	BCGP Ed	NM	Lib	Status
SCREENING											
Antenatal ultrasound abnormalities	Vish Rasiah										New deadline 30.11.18
Blood spot screening	J Cookson										New deadline 30.11.18
Cranial ultrasound scans	P Simmons (left??)										
DDH	Lindsay Halpern					23.11					Deadline 23.11.18
Disorders of sexual development	Kalyana Gurusamy										With author new deadline 22.11.18
Examination of the newborn	Bashir Muhammad										New deadline 7.12.18
Hearing screening	Jules Taylor										Deadline 1.12.18
Pulse oximetry screening	Andy Ewer										With author deadline 23.10.18. Chased 24.10.18 Chased 13.11.18
Sacral dimple	Dr Karapaiah										New deadline 7.11.18
Retinopathy of prematurity (ROP)	Lee Abbot										New deadline 7.11.18 Chased 13.11.18 New deadline 19.11.18
SURGICAL GUIDELINES											
Ano-rectal malformation	A Lander										With author deadline 23.10.18. Chased 24.10.18
Broviac lines	Arul Suren										With author deadline 23.10.18. Chased 24.10.18
Congenital diaphragmatic hernia	Daniela V										With author deadline 23.10.18
Exomphalos	B Reda										With author deadline 23.10.18. Chased 24.10.18
Stoma management	B Reda										With author deadline 23.10.18. Chased 24.10.18
Gastroschisis	B Reda										With author deadline 23.10.18. Chased 24.10.18
Inguinal hernia	A Lander										With author deadline 23.10.18. Chased 24.10.18
Intra-abdominal cysts	A Lander										With author deadline 23.10.18. Chased 24.10.18
Myelomeningocele/spina bifida	Manobi Boorah/Desi Rodriques										New deadline 12.12.18
Oesophageal atresia/Replogle tubes	B Reda										With author deadline 23.10.18. Chased 24.10.18
Rectal washout	B Reda										With author deadline 23.10.18 Chased 24.10.18
Recycling stoma losses	B Reda										With author deadline 23.10.18 Chased 24.10.18
NEW GUIDELINES											
Phosphate supplementation	Mohammed Bashir										New deadline 7.12.18
Hypocalcaemia	Kate Palmer										
Sleep study	Kate Palmer/Martin Samuels										Check does this contradict O2 on discharge guideline Emailed Kate 06.11.18

Topic	Author	Pharm	Bio che	Anti micro	Rad	Leads	Netwo rk Ed	BCGP Ed	NM	Lib	Status
Home oxygen guideline	Kate Palmer/Martin Samuels										Emailed Kate 06.11.18
Passing and caring of nasojejeunal tube	See BCH for copy of their guideline?										Emailed Vikranth 06.11.18. Oli doesn't have this and isn't able to author review
Vitamin D											Sent to Metabolic bone disease author
Teaching life support	Beth (Warwick)										With Beth (as addition to Discharge guideline)
2 yr developmental assessment	Kate Palmer										Back to author for checking
Hypoalbuminaemia											To be included as sub-section in Nutrition guideline. Sent author 26.09.18 Deadline 16.11.18 Author doesn't feel it fits in the Nutrition guideline and needs to be reviewed independently
Oesophageal perforation in neonates											Sent to Bashir 5.11.18
Infection prevention	Kate Palmer										Once paediatric version completed remove section re cubicles
Perinatal stroke	Manobi Boorah										New deadline 12.12.18
VAP guideline	Fiona Foulerton										Deadline 7.12.18
