For the attention of:
Ruth Moore
{sent by email}

Dear Ruth,

Re: Free Parking for Parents with a Baby on the Neonatal Unit (NNU)

Thank you for your letter in relation to the above.

The Trust has reviewed the current policies we have in place with regard to free and subsidised parking with our PFI provider who owns and runs the hospital car parks. As part of this review we have secured 20 concession cards for parents with a baby on the Neonatal Unit so that the provision of free parking can be provided. The cards will be available from 1st January 2018.

This will now bring the Trust in line with the Neonatal Unit's in the network and ensure consistency in resources and facilities within this Trust for parents with our network partners.

Yours Sincerely

Diane Wake
Chief Executive
