Sarah,

I had been thinking about this before your E mail. I'm aware that as things stand once city hospital joins our network we will have no representative from SWMNMN and two from our network.

I am happy to continue as chair until next May. I suggest that after that I stand down and Vikram represents our network alongside a new representative from SWMNMN

Subject: Joint Chair of the Neonatal Guidelines Group

Dear Kate

Following discussion at the Neonatal Guidelines Group meeting on the 18 May, the Group have asked me to invite you to stay on as Chair until April next year when nomination will be invited from the SWMN Network. As following the implementation this year of the WM Neonatal Review, Birmingham City Hospital will be joining our Network from next financial year.

Please can you let me know if you are happy to continue in the role of Joint Chair of the Neonatal Guidelines Group?

Many thanks
