

# TERM ADMISSIONS Q1&2 2018/19

# CLINICAL INCIDENTS

# Parent Experience Feedback Q1 & Q2 2018/19

		I was encouraged to touch, hold & care for my baby				When all staff spoke to me about my baby's care it was easy to understand				The nurses & doctors involved me in decisions about my baby's care

# Badger Exception Monitoring

- **City** – 18 exceptions recorded in the badger exception monitoring report however half of these (9) were not exceptions in accordance with City's current agreed care pathways. Of the exceptions 7 babies were ventilated < 7days but all had additional treatment either Nitric Oxide and/or Inotropes and/or Insulin, 1 received prostin and was eventually transferred at 132 hrs (? due to delay in finding a bed at BCH). 1 baby 28/40 was <800gms (650gms) and was transferred out at 422hrs.
- **Walsall** – 4 exceptions recorded in the badger exception monitoring report however 1 was not an exception in accordance with Walsall's current agreed care pathways. The 3 exceptions were more mature babies ventilated <72-96 hours, one of which was transferred out at 86 hrs.
- **Dudley** – 5 exceptions recorded in the badger exception monitoring report however the majority of these (4) were not exceptions in accordance with Dudley's current agreed care pathways. The 1 exception was a baby ventilated <4 days.
- **Telford** – 6 exceptions recorded in the badger exception monitoring report. 1 25/40 was transferred out at 31hrs, 4 exceptions were more mature babies ventilated <72-96hrs each. 1 baby was ventilated <6days post repatriation.
  
- In addition to exceptions in the badger monitoring report
- **City** - 2 babies admitted <27 weeks gestation: 1 @26/40 870g died <12 hrs of age  
1 @ 24/40 860g transferred to BWH < 12 hrs of age
- **Walsall** - No babies admitted < 28/40 or >28/40 and <800g
- **Dudley** – 1 baby admitted @ 26/40 639g transferred to Wolverhampton <12 hrs of age
- **Telford** – 3 babies admitted < 27 weeks gestation: Twins @25/40 680g NND < 10 hrs of age & 752g transferred to New Cross < 8hrs of age = **exception for UHNM**  
1@24/40 688g transferred to Stoke < 7hrs of age
