Please can you tell me if you have a neonatal poster of kangaroo care which could be put up on the units in the Network? The e-mail below seemed to think that you did a poster previously.

I notice that you have a leaflet "You and your baby: supporting love and care on the neonatal unit", is there a poster version, incorporating Kangaroo Care?

Many thanks in anticipation of your assistance.

Subject: RE: Minutes of the Neonatal Feeding & Nutrition Group Meeting 09-05-16

Hello Sarah

I have just checked the BFI website and can't find them either, they must have removed them to use the new ones. Sad as they are really nice, you could try emailing BFI to enquire, it was a set of six as I recall, naot all for neonatal but 2 of the 6 were.

Kind regards

Sandra
