Hi Sarah

Will send the form once signed by Medical Director

We have all the guidelines Except

1. Difficult airway/intubation-Some modification
2. Oxygen at discharge-using Newcross local guideline.
3. Neonatal examination is virtually same- except that to use Spatula when examining palate to ensure good view to exclude left palate

Kind Regards

Bashir

**Subject:** Formal Adoption of the Neonatal Guidelines

Dear All

Following receipt of the Neonatal Guidelines on CD which you should all have now received, see e-mail below.

I would be grateful if as Guideline Lead for your unit, you would complete the attached Formal Adoption form and send to me with any amended or local guidelines by either e-mail or post **before Monday 5 March** in order that any amendments or local guidelines can be collated in order to inform the next edition.

Many thanks
