---

Dear all  
Couple of things highlighted by SWMNN units on the guideline book (please see attached)  
1) Varicella guidelines- typo on investigation section (should read <7 days not months)  
2) PN- adding nutrients by neonatal team into TPN practice is no longer practised in any unit and thought to be unsafe  
Any suggestions how to address these- thanks  
Best Wishes  
Siva

Subject: Next Meeting of the Neonatal Guidelines Group

Hi Siva

Please can you let me know if you would be available at any time during week commencing the 19 May (except for Wednesday afternoon) for a Neonatal Guidelines Group meeting, as per the e-mails below.

Can you confirm the deadline for SWMNN units to return the completed adoption form? As I think Ruth wanted to discuss responses at the meeting.

Many thanks

Subject: RE: Neonatal Guidelines Group

Sarah,

I think we need a face to face meeting in April/May.  
I'll get back to you about dates after my holiday.

Kate

Thanks, Siva

Kate, are you free on any of the suggested dates?

Many thanks
