

**National Neonatal Audit Programme (NNAP)  
Consultation with Neonatal Network Leads and Managers – April 2015**

**As Neonatal Network Leads and Managers the NNAP project board would be very interested in receiving your responses to the questions relating to the following areas:**

- The changes to the NNAP Reporting Processes
- The format and content of the NNAP Annual Reports
- NNAP Communication with Neonatal Networks
- NNAP Communication with NNAP unit contacts and Badger users
- The value of the NNAP in improving neonatal care

**1) Changes to the NNAP Reporting Processes**

**1a) With reference to the communication sent to all NNAP units at the end of March (copy of the letter enclosed), do you feel that the changes to the NNAP reporting processes for the 2015 annual report (on 2014 data) and the 2016 annual report (on 2015 data) were explained clearly?**

*Please indicate Yes or No below or add any other additional comments if you wish to do so*

Additional comments (optional):

**1b) Would you feel confident in explaining the changes to the reporting processes to colleagues within NNUs across your network? (Explanatory process flow chart also enclosed)**

*Please indicate Yes or No below or add any other additional comments if you wish to do so*

Additional comments (optional):

**Thank you for taking the time to complete this consultation form.**

**2) The format and content of the NNAP Annual Reports**

**2a) With reference to previous editions of the [NNAP Annual Reports](#) please indicate below your comments on how you feel the report format and content could be changed for future editions to make it more accessible and useful for different audiences (neonatal units, Trust/Health board management, commissioners, parents, policy developers) and support quality improvement**

Please add your comments here:

**2b) The NNAP would like to include more details on clinical outcomes in future reports, could you suggest which clinical outcomes could be incorporated into the programme?**

Please add your comments here:

**3) NNAP Communication with Neonatal Networks**

**3a) Would you like to continue to receive updates and information on NNAP activities from the NNAP project team?**

*Please indicate Yes or No below or add any other additional comments if you wish to do so*

Additional comments (optional):

**Thank you for taking the time to complete this consultation form.**

**3b) How do you maintain effective communication with units within your own network?**

*Please indicate your response below*

--

**3c) What do you think is the best format for communication and dialogue between the NNAP and Neonatal Network leads and managers?**

Please indicate your view by order of preference with 1 most preferred and 6 least preferred and add any other suggestions if you wish to do so

An online forum (possibly via the NNAP pages of the RCPCH website or another relevant website)	
Email newsletters	
Individual emails	
NNAP project visits on request to Network meetings to address local issues	
Social media such as Twitter	
Telephone Conferences organised by the NNAP project team	
If you have any other suggestion please clarify here:	

**4) NNAP Communication with NNAP unit contacts and Badger users**

**4a) How do you think NNAP should communicate with individual neonatologists?**

Please indicate your view by order of preference with 1 most preferred and 3 least preferred and add any other suggestions if you wish to do so

Via BAPM website and emails	
Via registered NNAP Unit clinical leads	
Via their respective Network clinical leads	
If you have any other suggestion please clarify here:	

**Thank you for taking the time to complete this consultation form.**
