*The National Neonatal Dashboard update* for the WM Neonatal Quality Indicators is that I have emailed Gayle Budden at SW SCG, who is coordinating the development of the national dashboard, the names and contact details of the 3 units in SSBCNN who have said they would like to be involved in the pilot. See email below.

I have not had a response as yet and will update the group with more details when I receive them

Many thanks

Ruth

Dear Gayle

I have interest from 3 of the neonatal units in SSBCNN to be involved in the pilot of the national neonatal dashboards in addition to ourselves regarding piloting the network dashboard. Names are as follows:

Dr. Babu Kumararatne, NICU, Royal Wolverhampton Hospitals NHS Trust

Dr. Anjan Bhaduri, LNU, Walsall Manor Hospital

Dr. Kishor Tewary, SCU, Mid Staffordshire Foundation NHS Trust

I have copied them in to the email so that you have their contact details.

Please let us know what you need us to do in order to pilot the dashboards and the timescales for this

Kind regards

Ruth
