

# Being a Parent and Neonatologist in the NICU

- At this years European Neonatal Ethics Conference hear neonatologists Professor Annie Janvier and Keith Barrington share their experience of having an extremely preterm baby.
- What is it like to be a neonatologist and listening to some one having to discuss outcomes
- What is it like for the team who have to do this?
- Whats the journey like?
- Should we and do we treat medical parents differently?

Professor Annie Janvier  
Professor of Paediatrics University of Montreal  
Quebec Canada

Professor Keith Barrington
