Bliss Baby Charter

- All units are now working on the Bliss Baby Charter. We have 17 units working on their secondary audit which is fantastic.
- We successfully recruited a number of Bliss Volunteer Assessors - training will be taking place on 8th November in Manchester.
- As always please let me know if you would like to arrange for me to come over and do a visit/attend a staff meeting/run a mini workshop on your unit to help support you
- Please join the Facebook group and share ideas, best practice and any challenges/ask for support from others in the network
