

## **Implementing the NCCR recommendations across the Y&H Neonatal ODN in partnership.**

Propose : A Virtual workshop via MStems – Wednesday, 4<sup>th</sup> November 2020 (tbc)

With as wide stakeholder involvement as possible – invitees based on stakeholder analysis.

09.30 start

A Plenary session (half hour)

- Current configuration of units
- Impact of recommendations on unit designation
- Suggested reconfiguration

Breakout sessions – no of groups will be decided once attendance confirmed (an hour max)

- Pose 3 questions for groups to reflect on
- eg does the suggested configuration feel/look right?
- Any unintended consequences identified?
- What pathway changes are required to support this?

Comfort break –half hour

Feedback session – (an hour)

- actions required
- next steps

12.30 finish

Total time = 3 hours

Approved in principle – on behalf of the Y&H Neonatal ODN Core Team - 4th July 2020

To go to next Y&H Neonatal ODN Executive Group meeting – 1<sup>st</sup> September 2020.
