

<b>Project Title:</b>	Neonatal Service Transformation	<b>Project Lead:</b>	Helen Brown/ Chris Day/ Elizabeth Pilling
<b>Quality Standard:</b>	Neonatal Transformation: A seamless, responsive and multidisciplinary service built around the needs of newborn babies and the involvement of families in their care, networked together to provide the highest quality care and outcomes, minimising separation of the mother and baby, and providing expert care as close to home as possible.	<b>Report completed by:</b>	Helen Brown
<b>Drivers:</b>	National neonatal review; evidence review carried out by members of the CRG lead by Neil Marlow. Maternity Transformation Strategy & NHS Long Term Plan. Anticipated that ODNs and regional commissioners will work directly with LMSs to deliver.	<b>Date of Report:</b>	January 2020
<b>Projects:</b>	<p><b>National Neonatal Critical Care Review</b></p> <p>Roles &amp; responsibilities of the review are outlined in the following document.</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;">               Y&amp;H NCCR Summary              Actions.docx         </div> <div style="text-align: center;">               Neonatal National              Rev Y&amp;H ODN Plans         </div> </div> <p><b>Reduce Mortality – 4 work streams underway</b></p> <ol style="list-style-type: none"> <li>1. Mortality Learning</li> <li>2. Delayed Cord Clamping &amp; Thermal Care</li> <li>3. Initial Respiratory Care</li> <li>4. The 'Golden Hour' Team</li> </ol> <p><b>Service Reviews:</b></p> <ul style="list-style-type: none"> <li>• Visits all complete.</li> <li>• Dashboard under development</li> </ul> <p><b>Nurse Staffing / Education:</b></p> <ul style="list-style-type: none"> <li>• Gap analysis / needs assessments (utilizing Dinning Tool) well underway with unit results being discussed at Review Visits</li> <li>• QIS – ongoing work with HEE to redevelop a QIS course within Y&amp;H that meets our needs, is value for money and provides equity of access</li> <li>• In parallel the development of a Y&amp;H Foundation Programme to support Neonatal Nurses from Induction to QIS.</li> </ul> <p>Additional funding secured from HEE to enable this work to continue.</p>		

	<p><b>Care Co-ordinator</b> – Draft Job Description</p> <p><b>Surge &amp; Escalation:</b>            ODN continue to experience higher than average number of &lt;27 weekers.            Capacity remains challenging - AMBER            Meeting to be held with LMS PMO Leads to align Maternity &amp; Neonatal plans – Tuesday, 28 January</p>	
	<b>Progress – over past month</b>	<b>Next steps – over next month</b>
