Subject: Yorkshire and Humber Bliss Baby Charter update

Hi Helen,

During the Network Managers meeting it was requested that we send out more information about how the units in your networks are getting on with the Bliss Baby Charter. You should have received our new network lead communication on Thursday morning (do let me know if that wasn't received), which contained some very top level information. Below you will see the current breakdown of where each unit is up to in the process. Those that have completed audit two are likely to be quite close to pre-assessment or assessment.

In addition, it was requested that we send some information about the stumbling blocks for units undergoing the Bliss Baby Charter. After discussing this with the team, these are the ones we believe are the most prevalent.

- Psychosocial support (particularly access to a trained specialist)
- Donor milk bank access
- Lack of community team
- Having up to date guidelines (particularly developmental care and pain management etc)

Please do get back to me with any questions or if you would find it helpful to discuss anything further.

Best wishes,

Chelsie

Barnsley District General Hospital	Yorkshire & Humber ODN	Completed Audit 2
The Jessop Wing, Sheffield Teaching Hospitals	Yorkshire & Humber ODN	Completed Audit 2
Scunthorpe General Hospital	Yorkshire & Humber ODN	Undergoing Audit 1
