

Caring Together: A Partnership Approach

Your baby is at the heart of everything we all do
Please be our partner in your baby's care by helping us in the following ways

CARE

- Tell us if you are unable to visit the unit
- Ask for help about caring for your baby if you are unsure

COMMUNICATION

- Talk to us if you are worried
- Tell us about anything that might affect your baby's care on the unit or at home

PRIVACY

- Please do not take photographs of other babies or staff on the unit
- Please do not talk about other people's babies unless the parent is present
- Ensure your visitors follow ward guidance
